

Digital Franking System 2.0

Digital Franking System (DFS) was implemented at Duty Stamp Office since year 2011 to offer “*Digital Stamp*”, one of the stamping types for Stamp Duty. DFS 1.0 has been enhanced and upgraded to DFS 2.0 in which includes document/representative data entry process.

3 Methods of Document Data Entry are Available:

PC App (Windows)

1. Download PC App (visit LHDNM web at www.hasil.gov.my -> EZHASIL -> DFS).

2. Register (for first time log in).
3. Data Entry (documents) - it can be worked in offline environment.
4. Generate and print QR Code (PDF format is available).
5. Bring along documents and printed QR Code to *Stamp Duty Office*.
6. Get Queue Number
7. Submit documents and printed QR code to LHDNM Officer at counter.
8. Assessment process by LHDNM Officer at counter.
9. Made payment at cashier counter.
10. Get “*Digital Stamp*”.
